Forecast for Saturday 17 Oct 2020

Weather: Rather cloudy overnight but some clear spells and mostly dry, but some patchy mist or fog forming in valleys, Any mist and fog will lift and clear in the morning, leaving a bright but mostly cloudy day with the odd shower, especially over more eastern parts

Chance of cloud free mountain/hill tops above 600m: Ranging between 50 and 80%, with cloud down to 600m, though this most persistent over eastern parts

Visibility: Very good beneath cloud, but some reductions with showers and poor or very poor in early mist and fog
